

Superior Technology For Cleaning (2 Brushes) Electric Ride -On Scrubber Drier

The IMSRX900 driving-type scrubber series offers high stability and durability. It is specially designed for large commercial ground cleaning. Suitable for various floor-cleaning needs such as shopping centers, departure halls, factory workshops, and logistics warehouses..

IMS RX900

- High power rear drive axle motor to increase the climbing capacity.
- The whole short-circuit intelligent protection, motor negative overload.
- Squeegee automatically reset to achieve the most perfect water effects.
- Brush compressing function to ensure thorough cleaning.
- Large capacity, deep cycle maintenance-free battery configuration ensures long hours of work.
- Double big scrubbing brushes/ imported motor -especially for big area cleaning of ceramic tile, marble, epoxy resin, and cement floors.
- Steering wheel control integrated with all control functions of scrubber for easy operation.
- Large capacity water tank - equipped with 150L clean water tank and 160L sewage tank.

Specification	Details
Model No.	IMSRX900
Cleaning Width	900MM
Squeegee Width	1250MM
Brush size	450MM* 2
Working Efficiency	0-8100M ² /H
Working Time	3-5H
Clean Water Tank	150L
Sewage Tank	160L
Forward speed	0-9KM/H
Weight	370KG
Dimensions	1660* 1250* 1380MM
Battery Capacity	24V/200AH
Traction Motor	24V/1220W
Brush Motor	24V/2* 550W
Vaccum Motor	24V/600W
Brushing Rising up/Down	24V/35W
Squeegee Rising up/Down	24V/35W
Cleaning pump Motor	24V/120W
Minimum Turning Radius	270MM

WARRANTY: All products with one-year free product guaranty. Any problem within one year, we will send new replaceable parts for free (except wearing parts).

DELIVERY: Within 20 days after deposit placed.

PAYMENT: 100% Advance with the PO.
