

Superior Technology For Cleaning (2 Brushes) Electric Ride -On Scrubber Drier

IMSRX800 driving type floor scrubber — new design, extremely convenient driving type floor scrubber. Due to the compact size, substitutes the hand push floor scrubber, especially as it has double work efficiency and a more relaxed working environment. Use the small size and special steering wheel, ensure the manageability for the work, easy to bypass obstacles and finish cleaning task in a short time, saving cleaning cost greatly. Suitable for schools, hospitals, hotels, and other small places.

IMSRX800

- High power rear drive axle motor to increase the climbing capacity
- Squeegee automatically reset to achieve the most perfect water effects
- Driving control section
Steering wheel control, integrated with all control functions of scrubber, easily operated
- Squeegee automatic lifting when stopping or reversing to ensure longer life
- Washing/mopping/sucking/drying completed by one time, floor looks new and clean
- Large capacity water tank
Equipped with 90L clean water tank and 100L sewage tank, extra time washing
- Brush compressing function to ensure thorough cleaning
- 360 degrees rotation within small range, cleaning without any place missing

Specification	Details
Model No.	IMSRX800
Cleaning Width	760MM
Squeegee Width	1130MM
Brush size	380MM*2
Working Efficiency	0-5320M ² /H
Working Time	3-4H
Clean Water Tank	90L
Sewage Tank	100L
Forward speed	0-6KM/H
Weight	265KG
Dimensions	1630*1130*1280MM
Battery Capacity	24V/150AH
Traction Motor	24V/500W
Brush Motor	24V/2*380W
Vaccum Motor	24V/500W
Brushing Rising up/Down	24V/35W
Squeegee Rising up/Down	24V/20W
Cleaning pump Motor	24V/120W
Minimum Turning Radius	250MM

WARRANTY: All of products with one-year free product guaranty, any problem within one year, we will send new replaceable parts for free (except wearing parts).

DELIVERY: within 20 days after deposit placed

PAYMENT: 100% Advance with the PO
