

Superior Technology For Cleaning

Electric Walk -Behind Scrubber Drier

A small behind floor scrubber, in addition to super quiet design features, has a functional design for self-driven operation and is equipped with a powerful brush motor and magnetic brush. It improves the speed and effect. Intelligent panel and humanized design will be the first choice. Suitable for schools hospitals, libraries, hotels, supermarkets, and other industrial and commercial places.

IMS RX520Z

- IMSRX520Z is a hand-pushed Self-propelled Disc washing machine.
- This machine adopts a silent motor with super suction, low noise, and stable performance.
- It can clean up the ground that needs cleaning at one time, which can greatly improve the efficiency of work.
- It can be used widely in supermarkets, factory workshops, subway stations, schools, warehouses, and other places.
- Self-propelled walking, no manual, saving time and labor.

Specification	Details
Model No.	IMSRX520Z
Cleaning Width	520MM
Squeegee Width	830MM
Battery Capacity	24V/100AH
Clean Water Tank	65L
Sewage Tank	75L
Working Time	2.5-3H
Working Efficiency	2600M ² /H
Dimensions	1300*830*1010MM
Brush Motor	24V/550W
Water Suction Motor	24V/500W
Traction Motor	24V/500W
Brush Plate Diameter	500MM
Weight	145KG
Minimum Turning Radius	270MM

WARRANTY: All products with one-year free product guaranty, any problem within one year, we will send new replaceable parts for free (except wearing parts).

DELIVERY: within 20 days after deposit placed

PAYMENT: 100% Advance with the PO
